CITY DIRECTORY HELPFUL HINTS

Please review the section dividers to learn how you can use your City Directory to make and save money!

Did you know you can find a listing of abbreviations used in your City Directory following the Street Guide section?

Did you know if you call a residence with no answer, you can flip to the Alphabetical section (white pages) to find out their place of employment to contact them at work?

If you're in need of a product or service, you can look them up in the Business section (yellow pages). Then look to the Street Guide (green pages) to find the exact location of the business.

If you're interested in targeting a neighbor of one of your outstanding customers, you can look to the Street Guide (green pages) to identify those neighbors and offer your services.

Have a question or comment about how we can serve you better? Let us hear from you at 1-800-275-7655.

How to Keep Your Kids Free of Drugs.

Rule #1
Understand Why.

Parents can have a powerful effect on how kids deal with rebellion, alienation, despair and peer pressure. Talk with your kids. To learn more, call for a free parent's handbook.

CITY DIRECTORY HELPFUL HINTS

Please review the section dividers to learn how you can use your City Directory to make and save money!

Did you know you can find a listing of abbreviations used in your City Directory following the Street Guide section?

If you're in need of a product or service, you can look them up in the Business section (yellow pages). Then look to the Street Guide (green pages) to find the exact location of the business.

Did you know that the Alphabetical section (white pages) contains spouse, homeownership, occupation and employee information?

If you're interested in targeting a neighbor of one of your outstanding customers, you can look to the Street Guide (green pages) to identify those neighbors and offer your services.

Have a question or comment about how we can serve you better? Let us hear from you at 1-800-275-7655.
